We take a lot of pride in our craftsmanship, and we know our clients appreciate it too.

Stratus Lounge submitted their initial plan, crude designs and specs to fabricator Luxury PR & Hospitality Group. They wanted both bars to look as if they were original fixtures in the two rooms, and not simply moveable banquet bars set up as an afterthought. Essentially they wanted two bookshelves that contained hideaway bars that could be easily set up and taken down on the fly. What Luxury PR & Hospitality Group manufacturer came back with perfectly nailed their vision.
